- Walk around the house without any restrictions
- Recharge Skunkx when the batteries are empty

No more cold feet! Pleasantly warm feet with the press of a button

Cold feet are a serious problem for many people. Once your feet feel cold and icy it is almost impossible to get them warm again. Skunkx innovative footwear is our answer to that problem. With the press of a button Skunkx actively warm and gently massage your feet making you feel comfortably warm and relaxed within minutes. Skunkx use re-chargeable batteries, allowing you to walk without any restrictions; when empty simply recharge and enjoy again. Skunkx are made of the finest quality natural materials. Suede on the outside and soft, comfortable sheep wool on the inside, guaranteeing optimal conditions for your feet.

Experience the luxurious feel of new energy and warmth flowing through your feet and legs.

Skunkx, the perfect gift.
